Grab your feathers, your flowers, your vines, your paint, your mask, your shells and your Tarzan and Jane.

Jungle Masquerade V is happening!

Hear the crash of the waves and the call of the wild as the gorgeous new Scripps Seaside Forum becomes So Cal's most primal nightclub.

Feast on locally-grown delicacies catered by Giuseppe; enjoy special drinks, entertainment and very special guests. The night gets started with one of LA's hottest live bands: Toni Suraci. Later renowned DJ Scooter will spin along with a live drummer and costumed dancers that will keep your heart racing until the early morning.

When the sun goes down on October 16th, the Jungle comes alive. Be there for the danger and the beauty...

Reserve your tickets online today at www.rainforest-alliance.org/jungle or complete response card on reverse.
